----------	-------	--------	------

If requested, I will provide a BWP representative access to my property to verify installation and to my charger utilization data, and will assign all Low Carbon Fuel Standard (LCFS) or successor program credits to the City of Burbank, Department of Water and Power. I understand that a rebate will not be paid if I refuse any of the above requests. By signing this form, I certify that I have purchased and installed the EV Charger for use at the address noted. I have read and understand the terms and conditions of the EV Charger Rebate program. In addition, the installation of the charger complies with applicable permitting requirements and the contractor used to perform the work holds the appropriate license.

As a condition of receiving an Electric Vehicle Charger rebate, the customer agrees to be placed on the Time of Use (TOU) electric rate. Please Initial Here: _____

Customer Signature: _____ Date: _____

<p>Terms and Conditions</p> <ul style="list-style-type: none"> Applicant must be a BWP customer with an active BWP electrical account or charge their electric vehicle (EV) at a location with an active BWP electrical account. This application must be signed, dated, and contain ALL supporting documentation. Residential customers will be placed on the TOU electric rate in order to receive the EV Charger rebate. BWP is not responsible for items lost or destroyed in the mail. Rebates are not guaranteed and some limitations apply. Applications must be submitted no later than FOUR months from the date of purchase and are accepted on a first-come, first serve basis. A rebate check will be mailed within 6-8 weeks of BWP receiving the application. Rebates are limited to one (1) rebate per residential account. If applicable, the applicant must have approval from the property manager, owner, or homeowners' association to install the charger. Charger(s) must be Level 2 (240V) and utilize the SAE J1772 charging plug or Tesla's High Power Wall Connector and be UL or equivalent listed. Chargers with greater capacity will be considered on a case-by-case-basis. Charger(s) must be a new purchase with installation hardwired to the property's electrical service and have a City of Burbank Building Division permit issued. The EV must be DOT approved for highway application. Golf carts, neighborhood carts, motorcycles, electric scooters or bicycles, and other low-speed vehicles are not eligible. 	<p>Application Submission Supporting Documents:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Copy of charger receipt/invoice <input type="checkbox"/> Copy of installation receipt <input type="checkbox"/> Copy of final City of Burbank Building Division Permit <input type="checkbox"/> Copy of DMV registration or car purchase, or lease agreement <input type="checkbox"/> Photograph of installed charger <p>Mail Application: BWP Conservation Attn: EV Charger Rebate P.O.
