Green Choice Program Terms and Conditions

- Applicant must be a residential BWP customer with an active electrical account.
- Application must be signed and dated. By signing the application, you agree to participate in the Green Choice Program, which will add an additional \$0.018 to your residential rate for every kilowatt-hour of electricity that your home uses.
- Program participants are committed to a six month program period. The program begins on July 1, 2020.
- Enrolled customers will need to provide a minimum of three-months notice to opt out before the end of the committed participation period.
- Participants will not need to re-enroll for the next program period, but will need to opt-out by October 1, 2020 if they no longer wish to participate. The charges will no longer appear on your bill after December 31st of the year in which you opt-out.
- BWP is not responsible for applications lost or destroyed in the mail.
