REBATE REQUIREMENTS

Rebate requests must be submitted no later than four months from date of purchase.

- Applicant must be a BWP customer with an active BWP electrical account.
- Application must be signed, dated, and contain the supporting documentation.
- The rebate amount can't exceed the product purchase price.
- Rebates apply to new appliance purchases only. Refurbished and reconditioned appliances do not qualify.
- Applicant **MUST** include a copy of receipt or entire invoice **AND** proof of rating/Energy Star certification or other qualifications.
- **The following types of applicants qualify for the Low-Income Incentives:**
 - **Low-Income Resident:** Customers must be enrolled in the Burbank Utility Service Subsidy (BUSS) or the Lifeline financial assistance programs to qualify for the additional low-income incentive. Customers must also have been approved or re-approved for either program within the past 18 months. To learn more about these programs, please visit burbankwaterandpower.com/financial-help.
 - **Affordable Housing Provider:** Low-income rebate amounts are available to certain qualified affordable housing providers to low- or very low-income tenants. Eligibility for low-income rebates will not be approved until it is confirmed by BWP staff, which may include a review of the regulatory agreement or deed restriction that outlines ownership information, Area Median Income, and rent restrictions. Affordable housing providers must be able to show proof of the following two requirements:
 1. They are a multi-family residential complex in which at least 20 percent of the total housing units are sold or rented to lower income households.
 2. The rental housing units targeted for lower income households are subject to a deed restriction or affordability covenant with a public entity or nonprofit housing provider organized under Section 501(c)(3) of the Internal Revenue Code that has as its stated purpose in its articles of incorporation on file with the office of the Secretary of State to provide affordable housing to lower income households that ensures that the units will be available at an affordable rent for a period of at least 30 years.
