REBATE REQUIREMENTS

Rebate requests must be submitted no later than four months from date of purchase.

Applicant **MUST** include a copy of receipt or entire invoice showing proof of payment.

Applicant **MUST** include proof of rating/Energy Star certification or other qualifications

Application must be signed, dated, and contain the supporting documentation.

Appliance must be new. Refurbished and reconditioned appliances do not qualify.

- The rebate amount can't exceed the product purchase price.
- **The following types of applicants qualify for the Low-Income Incentives:**
 - **Low-Income Resident:** Customers must be enrolled in the Burbank Utility Service Subsidy (BUSS) or the Lifeline financial assistance programs to qualify for the additional low-income incentive. Customers must also have been

approved or re-approved for either program within the past 18 months. To learn more about these programs, please visit burbankwaterandpower.com/financial-help.

- **Affordable Housing Provider:** Low-income rebate amounts are available to certain qualified affordable housing providers to low- or very low-income tenants. Eligibility for low-income rebates will not be approved until it is confirmed by BWP staff, which may include a review of the regulatory agreement or deed restriction that outlines ownership information, Area Median Income, and rent restrictions. Affordable housing providers must be able to show proof that the rental housing units are subject to a deed restriction or affordability covenant to eligible lower income households, in addition to any other requirements as requested by BWP, before they may qualify for the low-income rebate.
